Key figures

GLA
12.166 sqm

A high-quality logistics property offering a combination of warehouse and mezzanine space, designed to support efficient storage and distribution operations.

The building provides a total gross lettable area of approximately 12.166 sqm, including 10.108 sqm of warehouse space and 2.058 sqm of mezzanine space. The asset benefits from modern technical installations and a strong loading capacity, making it suitable for a wide range of logistics and industrial users.

The property is strategically located directly along the E313 (Antwerp – Hasselt), ensuring excellent accessibility and visibility.
Its prime location allows for efficient connections to key logistics hubs such as Antwerp, Brussels and the wider European hinterland.
